866-415-3138, Pin# 74582470**

Bob Sweet has been working in the field of Traumatic Brain Injury Services since 1986 in both direct care positions and administrative roles. Since 1991 Mr. Sweet has been the Executive Director of Personalized Support Services, an agency that provides long term support services to individuals with brain injuries in their homes and community. He has been an active member of the Brain Injury Association of Florida, and has made numerous presentations at conferences and workshops on topics related to the field of Traumatic Brain Injury, including the development of positive relationships with individuals with TBI. Bob continues to provide direct care services to individuals with TBI as a companion, case manager, behavioral specialist and Community Support Coordinator for the BSCIP Waiver.
