OFFICER SURVEY FORM, PAGE 2

Please circle the response that best defines your opinion after completing the training session for Project L.E.A.P.

1. **My knowledge and understanding of traumatic brain injury and the impact that it has on the lives of survivors and their families was greatly increased by participating in this training.**

strongly agree	somewhat agree	somewhat disagree	disagree
1	2	3	4

2. **It is extremely important that law enforcement officers understand the impact that traumatic brain injuries can have on survivors when accessing situations such as domestic disputes or traffic violations.**

strongly agree	somewhat agree	somewhat disagree	disagree
1	2	3	4

3. **I feel more confident in accessing situations that may involve persons with traumatic brain injuries because of the training that I have received.**

strongly agree	somewhat agree	somewhat disagree	disagree
1	2	3	4

4. **The Brain Injury Association of Florida, Inc. provides valuable resources that I can use in situations involving persons with suspected traumatic brain injuries.**

strongly agree	somewhat agree	somewhat disagree	disagree
1	2	3	4

5. **Law enforcement officers can contribute to the prevention of traumatic brain injuries through participating in education and enforcement programs to reduce incidents that cause these injuries.**

strongly agree	somewhat agree	somewhat disagree	disagree
1	2	3	4

6. **I feel that law enforcement officers should take active roles in prevention of traumatic brain injuries through stronger enforcement of traffic laws such as safety belt and helmet violations.**

strongly agree	somewhat agree	somewhat disagree	disagree
1	2	3	4

7. **After participating in this training, I will be more inclined to enforce traffic laws such as safety belt and helmet violations.**

strongly agree	somewhat agree	somewhat disagree	disagree
1	2	3	4
